

# Manesh Haryani

Aspiring Data Analyst | Skilled in Excel, Power BI, SQL & Python

 maneshharyani@gmail.com |  +92 300 3187235 |  LinkedIn: Manesh Haryani

## SUMMARY

Aspiring Junior Data Analyst with hands-on experience in creating business dashboards and analyzing real-world datasets. Passionate about using data to solve business problems and improve decision-making. Ready to bring strong Excel, Power BI, SQL, and Python skills to a data-driven team.

## PROJECTS

### Sales & Profit Dashboard for Retail Chain

- Tools: Excel, Power BI
- Built an interactive dashboard analyzing sales and profit data across regions and product categories
- Created slicers and filters to allow dynamic insights for business managers
- Helped visualize KPIs like total profit, top-selling items, and region-wise performance
- Improved data-driven decision-making using charts, maps, and DAX functions in Power BI

## EDUCATION

### Bachelor of Science in Computer Science

2022 - 2026

FAST NUCES

- Focused on data analysis, database systems, and programming
- Expected graduation: June 2026

### Pre-Engineering (Intermediate)

2020 - 2022

- Superior Science College, Khairpur Mir's

## KEY SKILLS

- |            |                      |
|------------|----------------------|
| • Python   | • Data cleaning      |
| • Excel    | • visualization      |
| • SQL      | • dashboard creation |
| • Power BI |                      |
| • Pandas   |                      |

## ACHIEVEMENTS

- Self-taught data skills through project-based learning
- Continuously learning data analytics through hands-on work and online platforms

## EXPERIENCE

### Data Analysis Intern – Excellerate

Jul 2025 – Aug 2025

- Performed data cleaning, analysis, and visualization to extract insights.
- Assisted in preparing dashboards and reports for decision-making.
